

PAV Committees

Eco School Committee: volunteers help encourage and support whole school actions for the environment and help make the school “greener”. Assist with Earth day and family gardening activities.

Care Committee: parents in this committee provide assistance to our families (e.g. flowers for the new baby or bring a meal at a time of need.)

Book Fair: this is a wonderful event we are going to have during the week of November 7th-11th. Our parents love to come and help. Volunteers will help to ensure the book fair runs smoothly, assist students and checkout books. (Sign up times will be sent in October).

Parent Coffee: Host parent provides snacks to share with the families from 8:30am -9:30am.

Drive through helpers: Volunteers help students to get out of the car and enter the building safely. Signup to help whenever is convenient for you (from 8:20 to 8:30).

Event Volunteer:

Volunteers assist with special events (family meet up, Pancake Breakfast, International Picnic, etc.)

Year Book:

Volunteers will be able to help on a Yearbook Committee and coordinate some aspects of getting the yearbook into production.

If you need more information about our PAV please contact gracey.baechle@gmail.com or my self norma@mhfcschool.com

Thank you for your support
