

Botany: It Really Grows On You!!

Tuesdays 2:30–3:15 & 3:30-4:15

Ages 4 and Up!

Roots, Stems and Leaves, Oh My!! Plants have it all. Some eat meat and some have no roots at all. Ever wonder how many ways can plants make babies? Why do some have thorns? Which is the largest seed? Do trees hibernate? Come and **Cultivate** your love and appreciation of the plant world as we grow, explore and eat our way through the plant kingdom!!

Tuition Prices: \$225 (plus \$25 materials fee) per student

*14 weeks of classes, Jan. 17 – May 9
