The submittal of an application and fee places the applicants name in the waiting pool. Submittal of this application does not guarantee admission to MHFC. Applications with/in the wait pool will expire every 12 months. If you are offered an opening and decline, your application will be withdrawn. The acceptance & placement of applicants is the decision of the School; placement in classes is made through a careful process which takes the individual child and the composition of the class into consideration. Priority is given to siblings and students with prior Montessori experience.
