

## Handwork Studio Summer Workshop Registration Form Montessori House Elementary

Student's Name: \_\_\_\_\_

Age as of June 1: \_\_\_\_\_

Introducing Handwork Studio classes this summer! These workshops are filled on a first come first serve basis, and will be open to public on the 1<sup>st</sup> of May, 2018 to fill remaining spaces. These workshops involve the creation of many hands-on treasures, and because of the nature of the materials, and work put into the projects during the week, there is a substantial material cost to each workshop (included in the price), so payment is non-refundable and needs to be made no later than 2 weeks prior to the workshop so materials can be procured. To secure enrollment in an extra-curricular summer workshop return this registration form to Montessori House Elementary School building in a basket outside the business office with full payment. Checks are made payable to MEFL, a 501c3 non-profit.

**Workshops are \$100/week and run from 2:30 pm - 4:00 pm.**
