#### Step 3 Attendance

- Immunization and current medical records are required prior to the child's first day of attendance.

The submittal of an application and fee places the student in the waiting pool and does not guarantee admission. The acceptance & placement of applicants is the decision of the School; made through a careful process which takes the individual child and the composition of the class into consideration. Priority is given to siblings and to students with prior Montessori experience. If an opening is declined, the student's application will be withdrawn.
